June 2, 1944

Mr. Charles E. Stewart, Clerk,  
District Court of the United States,  
Court House,  
Washington, D. C.

My dear Sir:

Although I understand it is not required that I send to you the Power of Attorney authorizing a proxy marriage, yet, I think it may be the safest thing to do. In the event of any question arising in the future it might be difficult to reach me as I am subject as a Minister to removal to other parts at any time, and so I think it better that this paper be filed with the license return with you.

I will appreciate hearing from you and to know if this will be in accordance with the law and has your approval. I have two or three more proxy marriages within the next few weeks and unless I hear from you to the contrary I will send in the proxy authorization with the marriage return.

I am enclosing proxy authorization for the marriage of Lawrence Hamilton Swartz, a member of the armed forces stationed in England, to Gloria May Angel, who were married by me on May 31.

Sincerely yours,

Purcell Storey.
